Elevate Your Outdoor Experience

The Royal Collection

This collection is a tribute to the great monarchs throughout the years. Extor Carpets introduces three collections, each named after a queen who has left a lasting legacy: Maxima, a diamond design, Victoria, the small chevron design & Mathilda, the big herringbone design.

In addition to their commitment to quality and sustainability, this collection embodies the elegance, strength, and timeless appeal of these remarkable queens, further elevating the outdoor living experience with designs that blend tradition with modern craftsmanship.

VICTORIA

Victoria outdoor carpet features a timeless chevron pattern, offering a versatile design that complements both classic and contemporary settings.

Its elegant structure creates visual interest without overpowering the space, making it suitable for various outdoor applications, such as dining areas or lounges.

Victoria is dimensionally stable, ensuring that the carpet maintains its shape and structure over time, even under heavy use.

With soft, eco-friendly yarn made from recycled PET, this carpet also aligns with sustainable living values, giving you both style and an environmental-conscious choice.

MAXIMA

Maxima outdoor carpet features a bold diamond structure, ideal for those looking to make a statement in their outdoor decor.

This geometric design adds a modern touch, enhancing the aesthetic of minimalist or contemporary outdoor spaces.

Maxima's yarn is not only soft but also smoke resistant, offering safety in areas with outdoor grills or heaters.

Its anti-slip properties provide additional security, ensuring it stays in place even in high-traffic areas or on wet surfaces with a combination of striking design and practical features, Maxima is a standout choice for both style and functionality.

MATHILDA

Mathilda outdoor carpet, with its bold large herringbone structure, is a striking addition to any outdoor setting.

Its eye-catching design adds texture and movement, perfect for spacious patios or poolside areas.

Mathilda carpet is water-resistant, meaning it can handle rain and spills without losing its shape or texture, this makes it ideal for high-traffic outdoor areas where durability is key.

Its luxurious softness enhances comfort, while the sturdy construction ensures longterm performance, even in harsh outdoor conditions.

Elevate your outdoor experience with a touch of sophistication that complements any décor.
