SERENDIPITY LOUNGER (FLOATING)

Chaise (Floating Chair) in polyethylene with stone effect surface that gives additional value.

The perfect ergonomics and the soft lines inspired by the dynamics of the body at rest, evoke feelings of serenity and well-being, perfectly welcoming the shapes.

Functionality and stability are guaranteed by the use of high-density polyethylene, produced with a rotational mold that makes it suitable for any type of environment, both indoor and outdoor, private and professional.

Lightweight and easy to handle, durable, all weather resistant, made for prolong use.

Lounge by
Giancarlo Rusconi

A businessman from Turin who is particularly attentive to the needs of the market, in 1988 has presented the first solar-heated shower on the market.

The lucidity of expression and the search for simplicity are the key principles in the work of Giancarlo Rusconi.

Perfect command of sensuality and refinement has made him one of the rare Italian designers who has gained global recognition.
