# Empress

Empress brings you modern day opulence in the form of wallpaper. With beautifully distressed metallics featured on elegant designs, this collection will provide you with a stunning and sophisticated room. The selection of damasks, geometrics and textures are created with an easy living colour pallet and finished with hints of golds and silvers for a truly regal look.

Use any of the designs on one or multiple walls for a quick and dramatic transformation. You can also use the coordinating plain to get the complete look. Printed on our special paste-the-wall paper for super fast decorating and fully strippable for when you fancy a change.

# Empress Scroll

This enchanting scroll features a subtle metallic design overlaid on an embossed, matte, textured background. Easy to apply, this high quality non-woven vinyl wallpaper would look great as a feature wall or equally good when used to decorate a whole room with the coordinating plain.

104963 Empress Scroll Black / Gold
