18 x 22	28	30	34	18
18 x 24	28	32	36	18

**The above table is based on a single roll covering 24 square feet in order to allow matching of patterns.
Deduct 1 single roll for every 2 ordinary size doors or windows or for every 24 square feet of opening.
La table ci-dessus est basée sur un rouleau simple couvrant 24 pi² de façon à aligner le patron.
Soustraire un metric rouleau simple par deux ouvertures (fenêtres, portes) de faille ordinaire.*

EXAMINE ALL MERCHANDISE. Norwall Wallcoverings are subject to strict inspection standards and quality control. Occasionally, defects do escape detection. Therefore, a visual inspection should be made before applying the wallcovering. IF A DISCREPANCY IS NOTICED, STOP IMMEDIATELY AND NOTIFY YOUR DEALER, Norwall will replace, through the dealer from whom it was purchased, any merchandise found to be defective, but cannot assume liability for labour charges. All items meet the requirements as prescribed in Federal specification CCC-W-408. Flame spread test results available upon request.

EXAMINE TOUTE LA MARCHANDISE. Norwall Wallcoverings se soumet à des normes rigoureuses d'inspection et d'assurance qualité, cependant, il peut arriver qu'un défaut échappe à notre vigilance. On doit donc examiner le papier avant de le poser. SI VOUS DÉTECTEZ UN DÉFAUT, ARRÊTEZ IMMÉDIATEMENT LE TRAVAIL ET AVISEZ LE DÉTAILLANT OÙ VOUS A VENDU LA MARCHANDISE. Norwall remplacera, par l'intermédiaire de ce dernier, tout article défectueux, mais sans être tenu pour responsable des frais de main-d'œuvre éventuels. Tous les articles sont conformes aux exigences de la spécification fédérale CCC-W-408. Résultat de propagation de la flamme disponible.
